## EDUCATION

Université Des Science Appliquée Et Management,

Benin Republic - *Bsc computer Science*

July 2021

## EXPERIENCE

---

## **Tech Studio Academy, Lagos — *Web Developer Intern***

JUNE 2023 - AUGUST

- On numerous client projects, I was in charge of developing frontend architecture and creating user interfaces using various technologies and approaches.
- By effectively translating UI/UX design wireframes into code, I was able to create mobile-friendly visual elements for web applications.
- I integrated the user authentication workflow into an already-existing web application.
- I led a team of web developers and designers in developing a CRUD-based web-application that allows registered users to read and post stories.
- 

## **Eclectic Media, Lagos — *NYSC***

July 2022 - July 2023

- I worked with a team of designers in creating online presence for brands.
- I participated in brand marketing initiatives, from conception to execution.
- I designed several flyers and banners for different brands.

## **VOLUNTEERING**

### **Volunteer Trainer**

MAR 2023 - JUNE 2023 | Lagos, Nigeria

I tutored a group of students on the fundamentals of web development.

## **INTEREST AND HOBBIES**

- Traveling: Exploring new cultures and places serves as a source of inspiration and creativity for me.
- Football: As an avid football enthusiast I enjoy following matches, analyzing strategies, and discussing the sport with fellow fans. This has taught me the value of teamwork, perseverance, and strategic thinking.
